Sept. 12: LE to Aquarium (more info. to come)

Sept. 20: Half day dismissal

Normal Park Students Prek-3rd grade will participate in the **Read 20 Probasco Readers Program**. Please enter at least 20 minutes' worth of reading time for your child each weeknight. You may sign logs by the day or for the week. (5 days = 100 minutes for the week.) But the more minutes you read and enter, the closer we will reach our goal of reading 1.2 million minutes this school year! Students who complete their *reading logs* and turn them in will have their names entered into a grade level drawing for **monthly** prizes.

Click on the link below and fill out the Google form each day or week to log your student's reading minutes. [Read 20: 2023-2024](#)

This week we will focus on self-awareness during morning meeting. In skills, the students will learn to write the upper and lowercase Tt and learn its sound. For content, they will learn to use attribute words to describe a toy. For module, they will work on pages for their travel journal as well as create one of their exhibit pieces. For math, they will count, write, and order numbers 0-5. You can reinforce this using pages P11-P19 in the homework journal that was given to you at open house.

Be sure your child knows how they will go home each day. If there is a change in his/her dismissal, please write a note on the sheet in their red folder. You can also message your child's teacher on Dojo before 1:30.

Snack Rotations

Please send in one class set of individually wrapped snacks sometime during the week that your child's name is on the schedule. Thanks!
