Our Kindergarten classes have earned a "Spirit Day" by following the Normal Park Way. Because we are the Kindergarten "Glow Getters", we will wear yellow/neon yellow on Friday, Sept. 22 to show off our school spirit!

Class presentations begin Monday! Please refer to the date on your child's presentation paper for their day to present.

Don't forget to dress your child in their blue NP shirt for each Learning Expedition.
Thanks!

This week we will focus on responsible decision making during morning meeting. During skills, the students will learn about the name and sounds of Hh and Pp, identify and produce rhyming words, and count syllables. For content, they will identify characters and setting. For module, they will go on a learning expedition to the Hunter Museum to practice rules of walking through a museum, as well as, work on pages for their travel journal and build a toy using their imagination from recycled materials. For math, they will work in small groups to create a "Number Museum" and classify objects by color and shape. Homework reinforcement can be found on P33-P36.

Snack Rotations

Please send in one class set of individually wrapped snacks sometime during the week that your child's name is on the schedule.
