December 19 Q2 Exhibit Night

December 21-January 5 Winter Break

January 8 Students Return

## High Frequency Words

\*these have been taught in addition to the  
word for this week

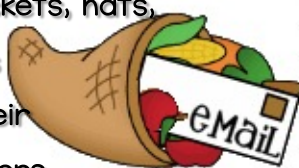

I, the, in, he, on,  
and, up

Be sure to  
update your child's extra  
clothes in their backpack!  
Temperature is changing and  
your little kiddo may have  
grown a size or two!

Don't forget to label ALL the  
things....extra clothes, jackets, hats,  
mittens/gloves. Students  
are getting some of their  
things mixed up with others.

This week in skills, the students will learn the sounds of /k/ and /y/, how to write the letters Kk and Yy, counting syllables and identifying and producing rhyming words. For content, they will name the characters and setting from the text, *Come On, Rain!* and describe how the weather affects them. For module, they will learn about the spring season, how the water cycle works, read *The Thing About Spring* and have an LE Outreach with CDM. For math, they will learn to use objects to represent and count numbers 6-9. Homework pages P69-P72.

## Snack Rotation

Please send in one class set of individually wrapped snacks sometime during the week that your child's name is on the schedule. Thanks!
